April 27. tf

Colds on Coughs.

HAMILTON'S ELIXIR.

A ſovereign remedy for Colds, obſtinate Coughs, Aſthma, ſore throats, and approaching Conſumptions, and moſt diſorders of the breſt and lungs.

A SINGLE trial will prove, that it reſtores the determination of the fluids to the ſurface of the body; and brings on the common healthful perſpiration; that it diſſolves and evacuates the tough viſcid phlegm or mucus, ſtrengthens the weakened veſſels of the lungs, ſheathes the acrimonious humor which irritates them and finally diſcharges it. Thus ſtrikes at the root of the diſorder, the ſymptoms are of courſe effectually and permanently conquered, the reverse of common medicines which weaken the conſtitution, and give ſtrength to the diſorder, for the ſake of moderating for the preſent ſome of its painful effects.

CASE OF CURE.

Selected from a numerous Liſt TO H. LEE.

Being deſirous to make public the good of others the excellent quality of HAMILTON'S ELIXIR, prepared by the late Mr. Lee, I have ſent you the following account of the benefit I have received from it; which I hope will induce others to give it a trial. In conſequence of a bruize on the breſt received from a fall, my health grew bad, my breathing became difficult, and frequently I have had ſuddenly to riſe up in my bed with all the horrors of immediate ſuffocation. Add to theſe, a conſtant pain in my breſt and a cough, a great loſs of ſtrength and fleſh, and you may conceive that my ſymptoms evidently indicated an approaching conſumption. The advice of a moſt eminent phyſician was reſorted to, and afterwards a ſecond was called in, but without giving me any relief. Another phyſician, who knew me and the circumſtances of my caſe, adviſed me to give Hamilton's Elixir a trial—ſaying, he had uſed "it in his practice, and always found it to do much good." A bottle was procured, and I found relief before I had taken half of it. I continued to uſe it, and was ſoon ſtrong enough to attend to buſineſs. On taking cold, ſome of my former ſymptoms return but are always removed by a doſe or two of the Elixir.

GEO. BENNER, jr.
No. 11, Budd ſtreet, Philadelphia.

Hamilton's Essence and Extract of Mustard.

A ſafe and effectual remedy for acute and chronic rheumatism, gout aſthmatic gout, palsy, lumbago, numbneſs, white ſwellings, chilblains, ſprains, bruises, pain in the face and neck, &c.

This valuable remedy is prepared both in fluid ſtate and in pills, and thus effectually adapted both for external and internal uſe.

The pills operate mildly by inſenſible perſpiration, expelling the ſuperfluous and morbid humors: they are highly cordial to the ſtomach, create appetite, aid digeſtion, remove flying pains, and cold or windy complaints in the ſtomach or bowels.

CASE OF CURE.

Selected from a numerous Liſt.

John Hoover, rope-maker, South Second ſtreet, between Mary and Chriſtian ſtreets, Philadelphia, voluntarily depoſeth as follows: namely—that his wife, Mary Hoover, was ſo ſeverely afflicted with violent rheumatism, very dangerously ſituated, the conſequence of a ſevere cold after lying in, as to be confined to her bed for ſeveral weeks, and was at length reduced to the melancholy apprehenſion of remaining a cripple for life, notwithstanding the moſt reſpectable medical advice was followed, and every probable remedy attempted; when ſeeing ſeveral caſes of cures performed by Hamilton's Eſſence and extract of Muſtard, they were procured from Mr. Birch, No. 17, South Second ſtreet. The firſt application enabled her to walk acroſs the room, and the uſe of one bottle reſtored her to her uſual ſtate of health and ſtrength.

JOHN HOOVER.
Sworn and ſubſcribed before Ebenezer Ferguson, eſq. one of the juſtices of the peace for Philadelphia county.

Hamilton's Grand Restorative,
Is recommended as an invaluable medicine for the ſpeedy relief and permanent cure of the various complaints which reſult from diſſipated pleaſures, juvenile indiscretions, reſidence in climates unfavorable to the conſtitution, the immoderate uſe of tea, frequent intoxication, or other deſtructive intemperance, the unſkilful or exceſſive uſe of mercury; the diſeaſes peculiar to females at a certain period of life, bad lyings in, &c.

Hamilton's Worm destroying Lozenges.
This medicine, which is as innocent & mild, as is certain and efficacious in its operation, cannot injure the youngſt infant, ſhould no worms exiſt in the body, but will, without pain or griping, cleanſe the ſtomach or bowels of whatever is foul or offenſive, and thereby prevent the production of worms, and many other fatal diſorders.

Hahn's Anti-Bilious Pills.
The operation of theſe pills is perfectly mild, ſo as to be uſed with ſafety by per-

ſons in every ſituation and of every age. They are excellently adapted to carry off ſuperfluous bile and prevent its morbid ſecretions—to reſtore and amend the appetite—to produce a free perſpiration and thereby prevent colds which ſo often of fatal conſequence. A doſe never fails to remove a cold if taken on firſt its appearance—they are celebrated for removing haſty coſtiveness—ſickneſs at the ſtomach and ſevere head-ache—and ought to be taken by all perſons on a change of climate.

They have been found remarkably efficacious in preventing and curing diſorders attendant on long voyages, and ſhould be procured and carefully preſerved for uſe by every ſeaman.

ITCH CURED.

By once uſing Lee's Sovereign Ointment. The proprietor informs thoſe perſons and families who are ſuffering under this diſeaſe, (againſt the infection of which no perſon is ſafe) that if this ointment is uſed at night on going to bed, it never fails to perform a cure by the following morning, as thoſands who have uſed it during the laſt ten years can teſtify. The peculiar excellencies of this infallible remedy for the itch, over every other, are the certainty of a cure by a ſingle application; the ingredients being ſo innocent as to be applied with perfect ſafety to the tenderſt infant, and its being not only free from any offenſive ſmell but equally agreeable with the pleaſanteſt pomatum.

The Restorative Powder for the teeth and Gums.

This excellent preparation comforts and ſtrengthens the gums, preſerves the enamel from decay, and cleaſenes and whitens the teeth, by abſorbing all the acrimonious ſlime and foulneſs, which ſuffered to accumulate, never fails to injure and finally ruin them.

Damask Lip Salve.

Han's true & genuine German Corn Plaster.

An infallible remedy for corns, ſpeedily removing them root and branch, without giving pain.

Hahn's genuine Eye Water.

A ſovereign remedy for all diſeaſes of the eyes, whether the effect of natural weakneſs or of accident.

Toothache Drops.

The only remedy yet diſcovered which gives immediate and laſting relief in the moſt ſevere inſtances.

The above GENUINE MEDICINES are prepared from the Recipes of the late Richard Lee, Jun. (by Hannah Lee, his widow) No. 56, Maiden Lane, New-York, and by her particular appointment ſold by

Alexandria Bank Stock.
Enquire at this Office.

Episcopal Convention.

THE Convention of the Proteſtant Episcopal Church in Virginia, will hold it annual ſeſſion in Richmond on the fourth Tueſday in May next. By the death of our much lamented Secretary, the duty of notifying this event devolves on the ſubſcribers, who take the liberty of requeſting a punctual attendance of the clerical and lay deputies. As it is required by the canons of the General Convention that parochial reports on the ſtate of the Church in each pariſh be furniſhed to each State Convention; and as under exiſting circumſtances ſuch information is neceſſary in order to enable our active and zealous Biſhop to take meaſures for ſupplying them with miniſters: it is therefore very deſirable that each delegate would come prepared with a report embracing theſe objects.

John Dunn,
